

**CALL FOR PAPERS
 PHYSOR-2006 TOPICAL MEETING
 HYATT REGENCY VANCOUVER
 VANCOUVER, BRITISH COLUMBIA, CANADA
 SEPTEMBER 10-14, 2006**

Advances in Nuclear Analysis and Simulation

Organizing Committee

Honourary Chair

Dr. James Lake
 Idaho National Laboratory

General Chair

Dr. Ben Rouben
 AECL

Technical Program

Co-Chairs

Dr. Ken Kozier
 AECL
 Prof. Chang Hyo Kim
 Seoul National University
 Dr. Russell Mosteller
 LANL
 Dr. Enrico Sartori
 OECD/NEA

Workshops

Dr. Wei Shen
 AECL

Publications

Dr. Adriaan Buijs
 AECL

Finance

Mr. Marv Gold
 Candesco Research Corporation

Facility Contact

Dr. Ben Rouben
 AECL

Student Program

Dr. Eleodor Nichita
 University of Ontario Institute of
 Technology

Registration

Ms. Denise Rouben
 CNS

Publicity

Dr. Mohamed Younis
 AECL

ANS Sponsoring Division

Reactor Physics Division

Hosted by

Canadian Nuclear Society (CNS)

International Co-Sponsors

Associazione Italiana Nucleare, Atomic Energy Society of Japan,
 Belgian Nuclear Society, Brazilian National Atomic Energy Commission,
 British Nuclear Energy Society, Chinese Nuclear Society,
 Croatian Nuclear Society, French Nuclear Energy Society,
 Israel Nuclear Society, Korean Nuclear Society,
 OECD Nuclear Energy Agency, Romanian Nuclear Energy Association,
 Sociedad Nuclear Mexicana, Swiss Nuclear Society

Technical Topics

- Accelerator and Spallation Physics •
- Advanced Reactor Designs • Alternative Concepts •
 Biomedical Applications •
- Fuel/Core Design and Analysis • Fuel Cycle Physics •
 • Neutron Physics • Nuclear Data •
- Reactor Analysis Methods • Reactor Physics •
 • Research Reactor Applications •
- Space Applications • and Other Topics •

Preliminary Plenary Session Topics

International Development of New Reactors
 Advances in Nuclear Data
 Emerging Nuclear Technologies and Applications
 Advances in Analysis Methods and Reactor Simulation

Important Dates:

January 7, 2006
 Electronic Submission of 1,000-Word
 Reduced-Length Paper
February 17, 2006
 Notification of Acceptance to Authors
June 15, 2006
 Deadline for Submission of Final
 Full-Length Paper
July 31, 2006
 Early Registration Deadline

**Instructions for Reduced-Length
 Papers:**

- Describe work that is NEW,
 SIGNIFICANT, and RELEVANT to
 the nuclear industry
- Use ~1,000 words, including Figures
 and Tables
- Electronic submission via:
