 Scientific and technical community management

Examples of KM tools

- Team spaces
- Virtual meeting rooms
- Portals
- Repositories
- Bulletin boards and threaded discussions
- Expertise locators and ask the expert
- Search engines
- Archiving
- Blogs
- Wikis
- Podcasts

Organizational structure of Institute of Physics and Technologies

Institute of Physics and Technologies

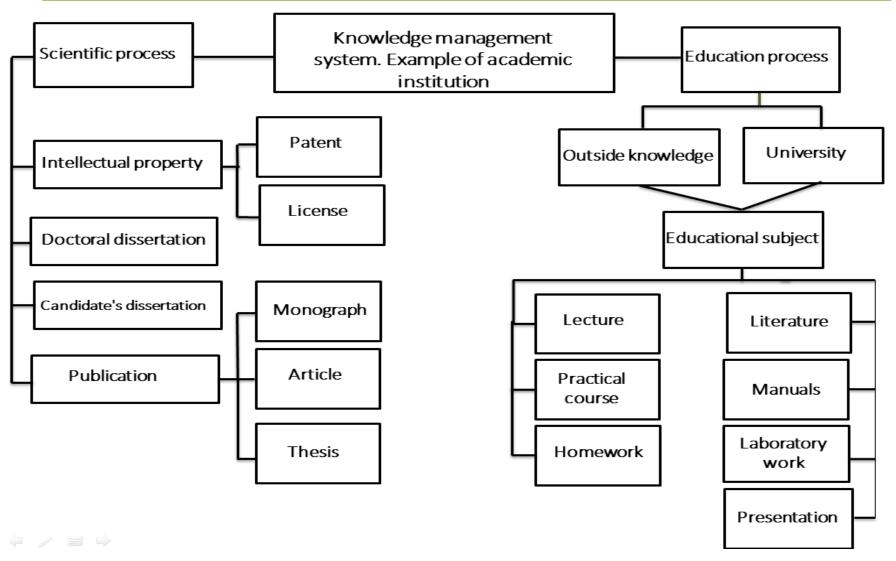

Director

Deputy director for studies and education

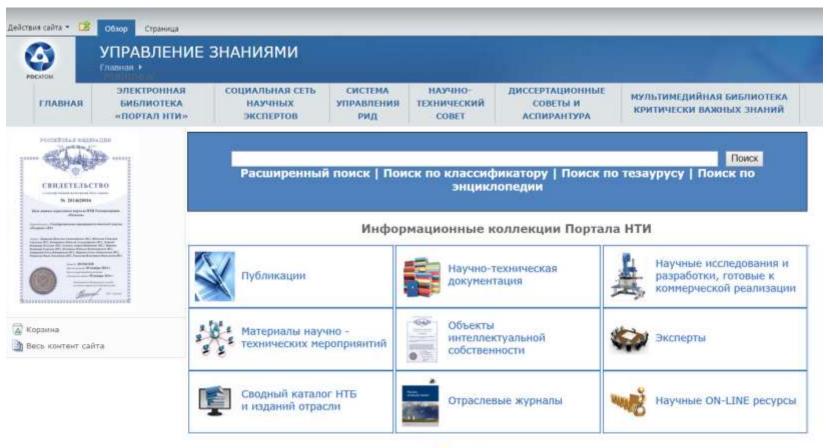

Deputy director for scientific work

Academic office Science division **MPRC Engineering** Nuclear research Information office support office reactor Departments Laboratories DHM DTEP DHMMP 3 10 **DNPP** DEANP DAPE DAP DRSRET **DHEPE DFLSPT** 15 DGP 12 17

Information processes

Scientific and Technical Information portal of IPT

Conclusion

- TPU already integrate into knowledge management system of State Atomic Energy Corporation
- Digitisation of Institute of Physics and Technologies stored knowledge and filling-in of the library have already started
- After successful application in Institute of Physics and Technologies, it is planned to expand and integrate the system into all institutes of TPU
